What You Need

- Your Tax Slip (barcode that can be used for payment at convenience stores)
- Your Smartphone

Procedure

①

Download your preferred application

②

Scan the barcode

③

Complete your tax payment on the application

Attention

- This method cannot be applied to the following tax slips: (1) Those that passed the payment deadline. (2) Those without a barcode. (3) Those with an illegible barcode.
- No receipts can be issued from the above payment method. The light vehicle tax payment certificate required for your car inspection (shaken) will be mailed in late-June. If you wish to obtain a receipt or need the certificate at an earlier date, please make your tax payment at a banking institution or a convenience store.
- Please be careful not to mistakenly make a repeated payment using the same tax slip.
- The user is responsible for any mobile data charges resulting from this payment method.
